German (GERM 101)

This course will teach you how to communicate easily and comfortably with those who speak German. You'll learn practical, common phrases that will make your trip to the many German-speaking regions of the world more pleasant. You'll learn dialogue specific to various settings, and you'll be surprised how easy it can be to speak another language! Since proper pronunciation is important to good communication, this course will help you master the best pronunciations. Simply click on each word to hear it spoken! Every word and sentence also is written out phonetically using sounds that you are already very familiar with from English words. This course has been carefully crafted to ensure you will have no trouble pronouncing German words correctly.
