### SCHOOL CANCELLATIONS

When weather or other conditions necessitate cancellation or delayed start of day or evening classes, announcements will be made on the public radio station, WTCJ (105.7) in Tell City. We will also post the notification on the Web at www.cancellations.com.
PAYMENT AND FINANCIAL AID

Your enrollment is complete only when your tuition and fees are paid or satisfied with finalized financial aid.

TUITION AND FEE INFORMATION

Please check the website for the most current pricing information at www.ivytech.edu/why-ivy-tech and click on “Affordable Tuition”.

Lab fees may be assessed for courses using consumable supplies or computers. A complete list of these courses and fees are available at the Registrar (Room 111) and Business Office (Room 134) windows.

TUITION AND FEE DUE DATES

Payments may be made in person at the Evansville Main Campus, Monday-Thursday 8:00 am-6:00 pm & Friday 8:00 am-5:00 pm or on-line at cc.ivytech.edu

FALL FEES

Please refer to the 2008-2009 Student Handbook for Fall Fee Due Dates for Current/Early Student Enrollment, Late Student Enrollment, and Late Payments. If you have further questions about Fall Fees, contact the Business Affairs Office at 812-429-1440 or r12-acctsrec@lists.ivytech.edu.

Failure to receive a bill is not accepted as a reason for missing the payment due date and you could be assessed a late payment fee if payment is not received. Please call 812-429-1440 or stop by the Business Office (Room 134) for a statement of your tuition and fees when registering on or after the due date. Partial payments (other than approved deferments) will not complete your enrollment.

PAYING YOUR TUITION AND FEES

You can pay with:

- Cash
- Check
- Money Order
- Approved Deferments
- Credit Card (Visa, Mastercard or Discover)
- Finalized (Authorized) Financial Aid
- Third Party payment by an employer or agency
- Debit Card

FINANCIAL ASSISTANCE

Your tuition and fees can only be paid through financial aid if your financial aid is finalized. Financial Aid applicants will be notified of their award(s) online through their Ivy Tech email accounts. This electronic notification will give the student detailed information regarding their award(s), policies, and the loan application process. This notification is your finalized aid – if you do not receive this notification, your aid is not finalized.

FALL

Students whose aid is not finalized by August 8th will need to pay their tuition and fees. Financial aid proceeds will then reimburse students once their aid is processed.

THIRD PARTY PAYMENT

If an employer or agency is paying your tuition and fees, you must provide a letter from the employer/agency on company letterhead, please refer to the 2008-2009 Student Handbook for Fall 2008 due dates. (Third party payments are not the same as employer reimbursement programs.)

DEFERMENT

Students may choose to set up a payment plan to satisfy any or all of their tuition and fees not covered by financial aid. A good credit record with the college is required for this option. The handling fee (non-refundable) is to be paid along with the first payment at the time the plan is set up. Several payment plan options are available, please contact the Business Affairs Office at 812-429-1440 or r12-acctsrec@lists.ivytech.edu for more information about the deferment options.

REFUND INFORMATION

Tuition and fees assessed by the college, except for the following non-refundable fees: Technology fee, late fee, deferral fee and nursing test fee.

YOU NEED TO KNOW

Students are personally responsible for completing a “Change of Enrollment” form when dropping classes. Policy information on dropping classes is available in the Registrar's Office, room 111. You may also contact the Registrar’s Office at 812-429-1384, to have the “Change of Enrollment” form mailed to you. The College reserves the right to cancel courses due to insufficient enrollment.
